Relief Requested

4. By this Monthly Fee Statement and in accordance with the Interim Compensation Order, EY LLP makes this application for (i) allowance of compensation as an administrative expense of the Debtors’ estates in the amount of \$1,596,707.00 for reasonable and necessary professional services rendered, (ii) payment of compensation in the amount of 80% thereof (in the amount of \$1,277,365.60) and (iii) payment of \$26,108.75 for actual and necessary expenses incurred.

a. Compensation Requested

5. The services performed by EY LLP during the Fee Period included tax services. Attached hereto as Exhibit A is a detailed itemization, by project category, of all

services performed by EY LLP with respect to the Chapter 11 Cases during the Fee Period. This detailed itemization complies with Local Rule 2016-2 in that each time entry contains a separate time allotment, a description of the type of activity and the subject matter of the activity, all time is billed in increments of one-tenth (1/10) of an hour, time entries are presented chronologically in categories, and all meetings or hearings are individually identified.

6. The timekeepers who rendered services related to each category are identified in Exhibit A, along with the number of hours for each individual and the total compensation sought by each category. All services for which EY LLP requests compensation were performed for, or on behalf of, the Debtors.

b. Expense Reimbursement

7. EY LLP incurred out-of-pocket expenses during the Fee Period in the amount of \$26,108.75. Attached hereto as Exhibit B is a description of the expenses actually incurred by EY LLP in the performance of services rendered as Tax Services Provider to the Debtors. The expenses are broken down into categories of charges, which may include, among other things, the following charges: photocopying, printing, outgoing facsimiles, document retrieval, postage, third-party conference calls, messenger service, transcripts, computerized legal research, filing fees, working meals, secretarial overtime, and other expenses. During the compensation period, Pashman Stein Walder Hayden, P.C. (“PSWH”) served as bankruptcy counsel to EY LLP (“EY”). In that role, PSHW advised and provided counsel to EY as necessary in addressing EY’s retention in these cases, including EY’s compliance with related requirements and preparation and submission of EY’s retention documentation. PSHW also assisted EY in responding to various related inquiries raised by the Office of the United States Trustee and other parties in these cases. Finally, PSHW assisted and advised EY in its analysis

of related issues and requirements. Value Added Tax (“VAT”) is a consumption tax in which certain foreign firms are required by local tax authority regulations to charge for services performed during this engagement.

8. In accordance with section 330 of the Bankruptcy Code, EY LLP seeks reimbursement only for the actual cost of such expenses to EY LLP. EY LLP submits that all such expenses incurred were customary, necessary and related to the Chapter 11 Cases and, by this Monthly Fee Statement, requests reimbursement of the same.

Valuation of Services

9. Professionals of EY LLP have expended a total of 2,894.5 hours in connection with this matter during the Fee Period.

10. The amount of time spent by each of the professionals providing services to the Debtors for the Fee Period is set forth in Exhibit A. The rates are EY LLP’s normal hourly rates of compensation for work of this character. The reasonable value of the services rendered by EY LLP for the Fee Period as Tax Services Provider for the Debtors in the Chapter 11 Cases is \$1,596,707.00.

11. EY LLP believes that the time entries included in Exhibit A attached hereto and the expense breakdown set forth in Exhibit B attached hereto are in compliance with the requirements of Local Rule 2016-2.

12. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given the complexities of these Chapter 11 Cases, the time expended, the nature and extent of the services rendered, the value of such services, and the costs of comparable services other than in a case under this title.

Certificate of Compliance and Waiver

13. The undersigned representative of EY LLP certifies that he has reviewed the requirements of Local Rules 2016-2 and that the Monthly Fee Statement substantially complies with such rule. To the extent that the Monthly Fee Statement does not comply in all respects with the requirements of Local Rule 2016-2, EY LLP believes that such deviations are not material and respectfully requests that any such requirements be waived.

Notice and No Prior Request

14. Notice of this Monthly Fee Statement has been given to the following parties or, in lieu of, to their counsel, if known: (a) the U.S. Trustee; (b) the Official Committee of Unsecured Creditors and (d) all parties required to be given notice in the Interim Compensation Order. EY LLP submits that no other or further notice is necessary.

15. No prior request for the relief sought in this Monthly Fee Statement has been made to this or any other Court.

WHEREFORE, EY LLP respectfully requests that the Bankruptcy Court
(i) approve the Monthly Fee Statement and (ii) grant such further relief as is just and proper.
